Has my Barlow name
been proposed for this year?

Mrs H Lyons
Curator

Hall of Fame

Really do & appreciate your
letter of advice as to my Proposal
as necessary -

What we really need then is the
list of the judges - their addresses
which I believe you are always
so gracious as to send as guides
to Americans wishing to confer
names.

I f these lists are as brief
printed pg - please send 10 - if not -
just the list & address greatly helps
those writing. Dr. August Gratke
